UNLOCK YOUR CHILD'S POTENTIAL!

One stop convenience – drop your child off at a camp right where you work!

The world is changing. Technology is changing. The job landscape is changing—occupations in **STEM (Science, Technology, Engineering, and Math)** are expected to grow 17% over the next decade, far outpacing other occupations. This summer, **unlock your child's potential, turn interests into future careers,** and gain a STEM competitive edge.

Weeklong program conveniently held at Purdue University!

- ⦿ Also held at 60+ universities nationwide.
- ⦿ Ages 7-17, beginner to advanced students.
- ⦿ Courses in App Development, Game Design, Programming, Robotics, Filmmaking, Photography, Web Design, 3D Animation, and more.

In addition, special for Teens are 2-week, pre-college sessions held at certain universities: iD Gaming Academy, iD Programming Academy, and iD Visual Arts Academy.

Special for staff and faculty, save \$125 by May 1st with code FACSTAFF2013

Need to pay in full when you register. Limited space.

You have the flexibility to register now and make changes later - up until 3 weeks of the start of your session - without penalty fees.

Visit internalDrive.com or call 1-888-709-TECH (8324) or 1-408-871-2227, option 1.

iD Tech Camps is not a university-sponsored program.
