Rhodes Scholarship District IX Secretary David Johnson joins Mitchell Scholar Milad Alucozai (Purdue 2014) in conversation. Over dinner with you, the pair will explain the similarities and differences between the two scholarships’ programs beyond one being for graduate school at the University of Oxford and one for graduate school in Ireland. Alucozai was also a Marshall Scholarship finalist, and we will discuss this scholarship to graduate school at any UK institution.

“I would like to spend my life making mental health an international priority.”
- Milad Alucozai
Purdue’s first Mitchell Scholar

What do foundations mean by their leadership, service and outstanding academic achievement criteria?

What is it to “fight the world’s fight”?
