PROGRAMS FOR YOU?

**Session links will be distributed via email the day of the session to those who RSVP.*

Juniors, Seniors, Masters, recent graduates begin applying now to fund graduate school at Oxford, Cambridge, Stanford, Tsinghua, or any British or Irish university in 2025. First- and Second-year students learn how to become strong candidates.

Rhodes, Marshall, Mitchell, Schwarzman, Knight-Hennessy Scholarships

Join us to hear about these prestigious scholarship programs. These are not just graduate school scholarships to Oxford and other UK universities, Tsinghua, Ireland universities - they are life-changing and life-long experiences.

Churchill Scholarship

Churchill Scholars Emily Erickson (2015) and Daniel Gochenaur (2021) chat with you about Churchill's one-year programs for STEM graduate study and life at Cambridge.

NISO Meet and Greet

Following the virtual info sessions on Tuesday and Wednesday, come meet with NISO to ask 1:1 questions or just chat more about the various scholarships: Marshall, Mitchell, Rhodes, Schwarzman, Knight-Hennessy, Gates Cambridge, and Churchill. Food will be served.

Gates Cambridge Scholarships

Gates Cambridge Scholar Marisa Henry (2016) shares her experiences on a fully funded graduate scholarship and leadership program.
