*Scholarship info on next page...*

# About the Scholarships

-

## **Churchill Scholarship**

Graduate program funding in the sciences, engineering, or mathematics at Churchill College, University of Cambridge. U.S. applicants only.

## **Gates Cambridge Scholarship**

Outstanding intellectual ability, leadership, and a commitment to improving the lives of others are essential qualities of a Gates Cambridge Scholar attending University of Cambridge. U.S. and international applicants.

## **Rhodes Scholarship**

Stellar students with demonstrated leadership potential and a commitment to fight “the good fight” pursue a graduate degree at University of Oxford on a Rhodes Scholarship. U.S. and international applicants.

## **Marshall Scholarship**

Academic merit, leadership achievements, and a global perspective are qualities of Marshall Scholars in graduate study at any UK institution. U.S. applicants only.

## **Mitchell Scholarship**

Future American leaders connect to Ireland through graduate school on a Mitchell Scholarship while fostering intellectual achievement and a commitment to community and service. U.S. applicants only.

## **Schwarzman Scholars Program**

Academic excellence, outstanding leadership and an entrepreneurial spirit are qualities that help students receive funding for a one-year master’s degree in Global Affairs at Tsinghua University in China. U.S. and international applicants.

## **Knight-Hennessy Scholars**

Students with demonstrated leadership and civic commitment receive full funding for graduate education at Stanford. U.S. and international applicants.
