Building

PROGRAMS FOR YOU?

RSVP: bit.ly/NISOGGWeek

*Session links will be distributed via email the day of the session to those who RSVP.

Rhodes & Marshall Scholarships

Join us to hear about these prestigious scholarship programs. These are not just graduate school scholarships to Oxford and other UK universities. They are life-changing and life-long experiences.

Churchill Scholarship

Churchill Scholars chat with you about Churchill's one-year programs for STEM graduate study and life at Cambridge.

NSF-GRFP (Undergraduate Pre-Advising)

National Science Foundation's Graduate Research Fellowship Program provides graduate funding for up to 3 years. Undergraduate STEM students, learn about applying ahead of graduate school: why, how, and who can help.

Knight-Hennessy Scholars

Speaking of life-changing and life-long experiences, a representative from the Knight-Hennessy Scholars program, which awards cost of attendance graduate scholarships to Stanford, will be here to share information about crafting competitive applications.

Gates Cambridge Scholarships

Learn about this fully funded graduate scholarship and leadership program to Cambridge University.

NISO Meet and Greet

Following the virtual info sessions on Tuesday and Wednesday, come meet with NISO to ask 1:1 questions or just chat more about the various scholarships: Rhodes, Marshall, Knight- Hennessy, NSF-GRFP, Churchill, and Gates Cambridge. Food will be served.
