*Prior to 1991-92, there was no one designated as Vice-Chair, but the title was director. In 1999 the Vice-Chair also became the Historian for PACADA.

**Prior to 1992-93, the Membership Committee Chair also held the Steering Committee position of Treasurer.

***Beginning in 1995 -96, Public Relations Committee Chair is listed first. Newsletter Editor ceased to be a Steering Committee position but became a member of the Public Relations Committee and was still invited to attend the Steering Committee meetings. In February 2002 the Public Relations Committee became the Communications Committee.

****The Research & Assessment Committee (previously Chaired by Meredith Graham and Evonne Bauldoff) became an official standing committee during the 07-08 academic year. It is currently dormant and therefore has no chair.
