Expanding Services to Pre-Professional Students

The Center for Pre-Professional Advising
Who we are

• Amy Terstriep
• Kelly Pistilli
• Storie Pedley
• Julie Wise
What we do

• Work with students from any major pursuing a professional school program
  – Find a good program fit
  – Learn about necessary credentials
  – Strategize an effective application

• Advise campus community about changes in pre-professional education
Current Projects

• Re-writing and updating all print resources & developing new ones
• Developing new website
• Exploring methods of tracking and communicating with students (700 on listserv)
Future Projects

• Providing workshops for students & advisors
• Meeting with advising offices
• New courses & learning community
• Create advisor listserv
• Coordinate student organizations
• Health (Spr 2014) & Law (F 2014) school fairs
Upcoming National Changes

- MCAT 2015
- Medical school letters
- Possible shift to competency based medical school applications
Referring Students

• Always happy to meet with current & prospective students
• Students should call 765-496-2690 to make an appointment
• Questions? Email preprofessional@purdue.edu
New Resource

• Wiki Site
  – Print PDFs of many of our handouts and resources
  – Place to go for most up-to-date handouts
  – https://wiki.itap.purdue.edu
