STAR for parents/families will take place between 10:30 am – 4:00 pm on the day of the student’s selected STAR session. Parents/Families will be notified of which track they will follow at check-in. Outside of the Parent & Family STAR Track, guests are welcome to attend the student sessions. At all times, students and guests will be led by a STAR Ambassador through daily tasks and activities. Please note that the location of check-in and the University welcome will vary depending on your STAR date.

Detailed Descriptions

• **Check-In:** Parents and Families will check in at their own station in the same location as student check-in and will receive their nametag, track assignment for the day, and a welcome bag.

• **Information Fair:** The Information Fair includes the ID card office, Purdue University Student Health, Athletics, Admissions, Disability Resource Center, student employment, Multi-Cultural Programs, Bands, Purdue Musical Organizations, Purdue Alumni Student Experience, Visitor's Bureau, Center for Career Opportunities, Student Activities. Families will have the opportunity to visit the Information Fair prior to the University welcome. The Information Fair will be open until 8:30 a.m.

• **University Welcome:** Campus leaders will welcome the new students and their guests to the STAR program and present information for the day.

• **College Pre-Advising:** Parents/Families will attend a pre-advising session with their student at the student’s college.

• **Parent/Family Welcome:** Campus leaders will welcome parents and families, share information about the Parent and Family Office, and give an overview of the morning and afternoon.

• **Overview of Academic Advising and Registration:** This session will detail the roles of academic advisors, students, and parents as well as give an overview of the student course registration process.

• **Lunch:** Parents and Families will eat lunch in the Purdue Memorial Union Ballrooms. Lunch will be served buffet style. Dietary needs will be accommodated.

• **Paying for Purdue:** This session will focus on Bursar billing, how Financial Aid credits student bills, steps necessary to utilize loans and work-study information. This session will build on the information provided at Purdue’s for Me events.

• **Health and Wellness:** This session will focus on campus physical and mental health care, recreational opportunities, safety, and emergency response and notifications.

• **Living and Thriving on Campus:** This session will focus on information about the residence hall system, dining court offerings and accommodations, and student employment and leadership opportunities with university housing and dining.

• **Building the Purdue Experience Beyond the Classroom:** This session will focus on the benefits of students being involved in campus activities and organizations, gaining experience through internships, research, and other professional opportunities, and how these experiences can translate into success in student’s career development.

• **Student Employment Fair:** Talk with current students about their experiences and gain more information about jobs on campus. Working as a student is a great way to offset college expenses, become part of a team, meet lifelong friends and gain marketable work experience at the same time!

• **Honors College Tea:** Purdue Honors College students and their families are invited to complete their STAR day with a tea hosted by the Honors College. Attendees will have the opportunity to interact with Dr. Emily Allen, Associate Dean of the Honors College, and Nathaniel Coghlan, Honors Relations Manager. We look forward to seeing you there!
