

## **STUDENT A/B PARKING PERMIT APPLICATION**

Students that are employed by the University 30 hours a week or more are eligible to purchase an A or B parking permit with the completion of this form. This application should be saved and uploaded to the online parking portal, and Parking Facilities will notify the applicant of approval through email.

Students employed in graduate student positions may choose payroll deduction for the permit payment method. Students in all other positions must pay for the permit in full at the time of purchase. Permits are valid for a maximum of one academic year. If your employment status falls below the required minimum hours, you will no longer be eligible for the permit. Garage access cards must be returned to the Parking Facilities office upon ineligibility.

Garage access cards that are not returned will become invalid. Use of an invalid permit may result in a \$150 fine and/or towing/immobilization of the vehicle. No prorated refunds will be issued after March 1.
