1 Sidewalks

1.1 Sidewalk requirements are discussed in the Landscape portion of Volume 2 of this Handbook.

2 Curb Access Ramps

2.1 Follow Purdue typical standard detail for Curb access ramps. Cast iron inserts preferred for detectable and visual warning.

3 Curbs & Gutters

3.1 On campus we use an integral curb and gutter section.

3.2 Straight INDOT type curb sections shall be used adjacent to arterial West Lafayette streets on campus.

3.3 The Purdue rolled curb section shall be used on internal campus roadways.

3.4 Dowell new curb and gutter to adjacent existing curbs to prevent settlement.
