

Pre-Professional Advising Newsletter - 31 August 2021

Pre-Professional Advising Newsletter

Welcome back, pre-professional students! Whether you are on campus or remote this semester, PPA advisors are available to assist you.

- Current students may schedule a virtual appointment with us through [BoilerConnect](#). Alumni, please call 765-494-3981 to schedule.

Bookmark our website - www.purdue.edu/preprofessional -- and check it for updates.

- Click on "News" to find information on Pre-Professional clubs, upcoming events and opportunities both on campus and virtual.
- Click on "Learning Center" to find information about preparing for professional school or "Application Hub" for information about the application process.
- Click on "Careers" to find career guides for many professional fields which include common prerequisite course requirements.
- Have a question? Click on "FAQ" for frequently asked questions and answers, and if you don't find what you need email us at preprofessional@purdue.edu.

Announcements

Indiana University School of Medicine Advising Appointments

IUSM admissions representatives are holding individual advising appointments by phone on September 16, October 21, November 9, and November 11. Sign up for an appointment here: <https://iumedadmissions.as.me>. Choose West Lafayette campus even though appointments are not in-person. You will receive a confirmation email from IUSM with appointment details.

Mentors Club at Marian University College of Osteopathic Medicine

The Mentors Club at Marian University College of Osteopathic Medicine is continuing to accept undergraduate mentees to be matched with a current medical student. Mentors are excited to provide advice on their journey to medical school, as well as immersive experiences into our curriculum, volunteering, and clinical work. Any year in undergraduate is eligible to [apply by completing the survey](#). Application deadline is September 5.

American Physician Scientists Association Undergraduate Mentorship Program

The goal of the Mentorship program is to connect APSA students (MD, DO, MD/PhD, and DO/PhD) with undergraduates who are interested in careers as physician-scientists in one-on-one mentor-mentee relationships. [Apply to the program](#) by October 15. [Resources for undergraduate students](#) can be found at the APSA website.

Full-Time Research Positions in Neurodevelopmental Disorders Available for Recent and New Graduates

The [Behavioral and Neurodevelopmental Psychiatry & Neuroscience Research Group](#) at Cincinnati Children's Hospital is hiring research coordinators for human clinical research projects and basic science labs. A bachelor's degree in neuroscience, biology, computer science, psychology, or related field is required and the positions last a minimum of two years. To apply, email resume or CV to shelley.randall@cchmc.org.

Online Medical Chinese Program

This fall, 10-week, online program co-presented by SUNY College of Optometry and Wenzhou Medical University are open to all healthcare professionals or students, completely free of charge. Courses include a heavy emphasis on medical Chinese and include discussions comparing clinical practice between US and China. More information can be found at www.sunyopt.edu/confucius.

This is Public Health Virtual Graduate School Fairs & Book Club

These fairs allow pre-public health students a chance to interact with program representatives and current students. For a list of all events and to register [visit the website](#).

The [Book Club](#) goal is to foster discussion between prospective students, current students, and public health professionals. The current title is [The Ten Year War](#).

Mental Health America Volunteer Experience

Mental Health America is seeking Crisis Intervention Specialist volunteers. For more information, [click here](#). The next Crisis Intervention Specialist training cohort will begin on September 15, 2021 and end on October 1, 2021. To register, [visit the website](#).

Brain Exercise Initiative - Purdue Chapter

The BEI Purdue Chapter is currently looking for empathetic, friendly, and committed volunteers to help carry out our mission. Students will get a chance to serve their community, gain clinical volunteering experience, and join a community of like-minded individuals. If you have an interest in neuroscience and Alzheimer's, or enjoy volunteering with elders, please fill out this form to join our mailing list: <https://forms.gle/2NMMBn1LTy4dLLycA>.

IU Health Hiring Event: Walk-in Wednesdays

IU Health is hiring pharmacy techs, RNs, medical assistants, patient care assistants, environmental services and food and nutrition services team members for the West Central Region including IU Health Arnett, Frankfort and White Memorial hospitals. To apply, walk-in on Wednesdays until Oct. 6. From 8am-10am and 1pm– 3pm at the IU Health Administrative Office Building. 2550 Greenbush St. Lafayette, IN 47904.

INScribe Recruiting

INScribe scribes provide clinical documentation of patient-physician interactions in various medical settings including Emergency, Internal Medicine, ENT, Gastroenterology, Neurology, and Family Medicine at local Indiana University Health hospitals. For more information visit the [INScribe website](#). To apply, send a resume and class schedule to admin@indianascribes.com.

2021-2022 LSAC Law School Forums

Registration is now open for LSAC Law School Forums. Forums allow you to connect with representatives from as many as 200 ABA-approved law schools, learn about financial aid and the law school admission process, and get answers to any questions you may have. [Visit the website](#) to find a list of dates and venue information.

2021 Midwest Law School Virtual Fair

This law school fair will be held Tuesday, November 16 from 11am-1pm. Registration and event details are available at z.umn.edu/MALSA2021. The event is free as long as you have registered to attend any LSAC Digital Forum (<https://www.lsac.org/digital-schedule>).

CLEO Scholars Program

Learn how to successfully navigate the law school admission process and underwrite your success in law school by participating in the College Scholars program. Program dates: Saturday, October 23, 2021 and November 20, 2021, 9:00 a.m.-5:00 p.m.

For Freshmen: [The Road To Law School seminar](#) aims to provide Freshmen an overview of the key components of the law school application process.

For Sophomores: [The Sophomore Super Saturdays](#) seminar aims to help students further develop logical reasoning, reading comprehension and writing skills - the skills needed to become a competitive law school applicant.

For Juniors, Seniors/Post Graduates: [Juniors Jumpstart the LSAT](#) seminar aims to help participants understand the importance of systematic and timely preparation for the Law School Admission Test (LSAT).
