Announcements

Health Professions Week

If you are considering a future in the health professions, HPW is your one-stop-shop to explore over 20 career options. Registrants receive access to a personalized website with curated, on-demand content introducing the participating health professions, as well as access to exclusive live events featuring opportunities for one-on-one career advice. All prospective health professionals are welcome to register for #HPW2019. For more information or to register, [click here](#).

On-campus events that week include "Explore a Career in Genetic Counseling," "Careers in Public Health Student Panel" and Pre-Professional Advising staff and student Ambassadors will be available to talk with you about health care careers at a table on the ground floor of the PMU. See Upcoming Events above for more details.

Spring 2020 Class Offerings

VM 10800-Veterinary Technician Career Exploration. Thursday, 1:30pm-2:30pm. 8-week class (January 13-March 8). Lynn Hall 2213. CRN 20084

EDPS 105-Academic and Career Planning. Are you questioning your current major or career direction? In this class, students will learn more about themselves through a series of assessments and active learning activities. Research majors and careers and evaluate fit. Open to students outside of Exploratory Studies - request an override and write a reason why you want to take the class in the 'request notes' box.

Actively Moving Forward Purdue Chapter Grief and Loss Gathering

Come join a community of Boilermakers supporting each other in grief throughout college. Meetings every other Tuesday, Honors College South Reading Room, 6-7pm. Upcoming meetings are November 5, November 19 and December 3.
