Announcements

HHS Careers Presents: My Summer Health Professions Experience

Calling all first- and second-year students who are interested in medical, dental, optometry, public health, physical therapy, and nursing professions and identify with an underrepresented group in healthcare. Kyndal Poore, a SHPEP

Ambassador, will discuss the program and application process. **November 30, 6-7pm. STON 122.** RSVP appreciated but not required: HHScareers@purdue.edu.

For more information about SHPEP program, [visit the website](#). Application deadline is February 5, 2024.

This is Public Health Virtual Mini Fair Recordings

If you didn't get a chance to attend a graduate school virtual fair, you can now access the event recordings on a [YouTube playlist](#). Watch to learn more about graduate schools/programs in public health, application information, and other useful resources.

Purdue Health Programs Expo

Save the Date! Pre-Professional Advising is hosting the annual Health Programs Expo on **Monday, February 26, 2024 from 2pm-5pm in the PMU North & South Ballrooms**. Pre-health students, staff, faculty and the general public can meet with representatives from schools of medicine, veterinary medicine, dentistry, physician assistant, optometry, physical therapy, occupational therapy, athletic training, public health, chiropractic, naturopathic, nursing, healthcare administration, and more! The event is free and registration is not required for attendees. Watch the [event website](#) for an updated list of participating schools in January.

Roadmap Scholars Initiative at University of Virginia School of Law

Attention sophomores! Apply now to participate in the Roadmap Scholars Initiative. The program provides both academic support and practical experience to undergraduate students interested in attending law school by exposing them to different aspects of the legal profession. The program's goal is to help the scholars become competitive applicants to any of the nation's top law schools. Application deadline is February 1, 2024. [Learn more at the website](#).

2024 Summer Undergraduate Research Fellowship

The University of Michigan Samuel & Jean Frankel Cardiovascular Center is pleased to announce the 2024 Summer Undergraduate Research Fellowship (SURF) program. This 10-week fellowship will be held **May 28, 2024 through August 2, 2024**. Fellows will be matched based on their interests, to a laboratory led by a Frankel CVC faculty member and will be paid bi-weekly at a rate of \$15/hour for ten weeks of full-time (40 hours/week) work. The program includes weekly scientific seminars and coffee hours, social events, and a two-day research symposium when fellows will present their research to their peers, FCVC faculty, and staff. To access the application and learn more about the

program [visit our website](#). For questions, please email fcvc-surf@med.umich.edu.

Clinical Research Position in Orthopedic Surgery and Sports Medicine June 2024

Position: Full-Time Clinical Research Intern to Dr. Benjamin Domb, MD

Location: American Hip Institute; 999 E. Touhy Ave, Suite 450, Des Plaines, IL. Please note that for this position you will need to be on-site at our facility.

Description: American Hip Institute is a successful sports medicine practice that is supported by a highly active Research Foundation managed by Dr. Domb. As a clinical research intern, you will have the opportunity to be responsible for a variety of clinical, surgical and research roles, including maintaining an extensive surgical database, scribing or acting as a medical assistant in clinic, assisting with writing research studies, and supporting research processes such as journal publication, conference submissions, and prospective study management. The skills gained in clinical, surgical, and research settings offered at this institute provide participants with an excellent foundation for their career in medicine.

Duration and Compensation: This position is offered for both 13-month and 25-month durations and includes a \$10,000 stipend. Clinical research assistants will begin in June of 2024 and end in July of 2025 or 2026, depending on interest. Please specify which duration you are interested in when applying. If interested in applying, please send a cover letter and CV to: Benjamin Domb, MD foundation@americanhipinstitute.org
