

Pre-Professional Advising is open over the summer and available to assist pre-health and pre-law students with questions about preparing for or applying to professional school. Please email [preprofessional@purdue.edu](mailto:preprofessional@purdue.edu) with questions or schedule a (virtual or phone) appointment with Amy, Cristy or Cara through [BoilerConnect](#). Check out [our website](#) for 24/7 information!

If you are applying this summer to professional school and want feedback on your personal statement draft, please send it to [preprofessional@purdue.edu](mailto:preprofessional@purdue.edu) and one of the advisors will read it. Please note that we have many such requests right now and you should expect up to 5 business days before receiving feedback.

If you are applying this summer to medical or dental school and want to use the letter service, please complete the survey [here](#). The application systems for other healthcare programs (such as CASPA, PTCAS, OTCAS, etc.) do not allow anyone other than the letter writer to submit letters. If you are applying to other healthcare programs this summer, email [preprofessional@purdue.edu](mailto:preprofessional@purdue.edu) for a copy of our *Pre-Health Letter of Evaluation Writer's Guide* which you can give to your letter writers.
