

## C/P Faculty Advisory Board

The purpose of the Provost's C/P Faculty Advisory Board is to:

- Help guide university efforts to support and promote the success of C/P faculty at Purdue.
- Serve as contact points for and representatives of C/P faculty in their colleges.
- Serve as resources for collecting information about the C/P faculty experience at Purdue and developing guides/recommendations for best practices for annual reviews and promotion, mentoring, and professional development.
