

The following disclosure is applicable to the following face-to-face licensure programs offered within the College of Health and Human Sciences at Purdue University West Lafayette:

Master of Science in Nursing (MS)

The Purdue School of Nursing graduate programs are programs are accredited by the [American Association of Colleges of Nursing](#), therefore meeting all the requirements for eligibility to take the [American Nurses Credentialing Center](#) (ANCC) examination for certification.

The Master of Nursing Science (MS) graduate curriculum for:

- Adult-Gerontology Nurse Practitioner (AGNP)
- Family Nurse Practitioner (FNP)
- Pediatric Nurse Practitioner (PNP)
- Psychiatric Mental Health Nurse Practitioner (PMHNP)

meets all the requirements for eligibility to take both the ANCC and [American Association of Nurse Practitioners](#)(AANP) Certification Nurse Practitioner board exam.

Therefore, the Purdue University School of Nursing meets the requirements of any state that requires certification for the adult-gerontology, family nurse practitioner, pediatric nurse practitioner, and Psychiatric Mental health practitioner practice privileges. States may have additional requirements for full practice authority in these advanced practice roles. It is highly recommended that students investigate the state's [Board of Nursing](#) for information regarding state specific requirements.

Note: Purdue University is unable to make a determination as to the satisfaction of its program for educational requirements in the jurisdictions of American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands due to a lack of information.

Out-of-state requirements are not concrete and subject to change with little to no warning, making it even more important for students to inquire directly to the jurisdiction of desired employment.
