

The following disclosure is applicable to the following face-to-face licensure programs offered within the Krannert School of Management at Purdue University West Lafayette:

## Master of Science in Human Resource Management

The [Society for Human Resource Management](#) (SHRM) serves as the accreditation agency for Krannert's Master of Science in Human Resource Management program. Because this program has no state specific requirements, students meet the educational requirements for licensure in every U.S. state and territory. It is recommended that students still take the time to check their Exam eligibility, as well as the professional experience required for licensure in Human Resource Management. Eligibility, as well as Professional Experience requirements can be found [here](#).
