

Assessment and Reaffirmation of Foundational Learning Outcome

Due **January 17, 2020** for any course taught Fall 2019

Due **May 15, 2020** for courses taught only in Spring 2020

Instructions

Please visit [the Foundational Assessment page](#) to upload a single PDF file that includes the following information (in this order). Please name the file: FO_Subject_CourseNumber_CRN_Year.

For example: **BSS_PSY_12000_14102_2019.pdf**

1. A completed copy of the Report Template Page (below).
2. A copy of the syllabus.
3. Samples of student work that have been completely de-identified showing how students demonstrated achievement of the foundational outcome described in your narrative (exam questions, projects, papers, etc.). One example of excellent work, one of average work, and one of poor work should be included. Please ensure that all parts of the sample have had the student's identifying information removed or obscured. Samples should show grading marks and other feedback the student received.
4. A distribution of grades awarded to the entire class on the above submitted assignment(s).

If the course contains multiple sections, please submit **separate PDF files containing items 1-4 for each section**.

If the **same instructor teaches multiple CRN of the same course using the same materials and assessment**, please note that on the Report Template cover page and upload materials from only one CRN.

Questions may be directed to IDA+A at idata@purdue.edu or the UCC at CoreCurriculum@purdue.edu
