

FOOD FOR HEALTH

EDUCATION SUMMIT

Join us for the *Food for Health* Education Summit, where experts will explore how food and equitable access shape chronic disease prevention, management, and overall health throughout the lifespan. Together, we'll examine the connections between nutrition, wellness, and the unique health goals of Hoosiers — from early life through older adulthood — and discuss actionable strategies to build healthier communities across Indiana.

TUESDAY, SEPTEMBER 16TH
9:00AM - 2:00PM
