

SMART PLAN (FORMERLY EDUNAV)

HOW TO CREATE A “WHAT-IF” PLAN

Overview

"What-if" Plans are used to visualize paths to degree and requirements for various educational goals. There can be an unlimited number of saved plans for each student, making the "what-if" plan a great way to envision how different majors, additional majors, minors, and certificates could impact a student's time to degree.

How To Use

View the video below to learn how to create a "what-if" plan.
