

EduNav Vocabulary

Audit View

Viewable by clicking on the Progress Bar, this view displays details about your progress, placements, holds, and exceptions.

Declared Program

The program(s) currently on your record in Banner.

Mandatory Courses

Required courses for your degree program(s).

Requirements View

Displays all degree requirements and your status towards completion.

Status: Pending Review

This plan status will display when changes have been made to the plan and before those changes have been verified by the system.

Status: Valid

When a plan is “valid” it means EduNav has reviewed any changes and verified that it meets all programmed degree requirements and course rules (prerequisites, etc.).

Please note that the degree plans created by EduNav are tentative until they are fully approved by an academic advisor.

Target Credit Hours

The total number of credit hours for each term that EduNav will try to fulfil when planning.

Unallocated Courses

Courses that do not meet listed degree requirements.
