UNDERGRADUATE PLAN OF STUDY KICK-OFF

for Fall 2023-2024
**Introductions**

Registrar
- Keith Gehres

Curriculum & Catalog Team
- Kim Watley
- Maggie Gerald
- Pam Jenkins

Curricula Initiatives Manager-Provost Office
- Lisa Keefe

Assistant Vice Provost for Academic Initiatives
- Catherine Golden

myPurduePlan Team
- Ryan Jones
- Tricia Harlow
- Dan Harlow
- Kasey Richardson
- Kylie Edmond
Transformative Education 2.0

Our goal is to make Purdue University the most innovative residential learning program in the US among large research universities through:

- Deep investment and strategic expansion in experiential education
- Flexible cross-disciplinary as well as transdisciplinary degree and credential pathways
- A data-driven ecosystem that improves retention, progression, graduation, and satisfaction
- Integrated student life experiences and multiple work/learn options for paths to graduation
- Creative use of advanced technologies and online learning to enhance residential courses and improve student success

Program Description

Program: Accounting, BS - Purdue University - Acalog ACMS™

Accountants help businesses and organizations solve problems and succeed in a rapidly changing, globally competitive environment. Accountants prepare and interpret financial information that is used in a variety of settings. Companies use accounting information in strategic planning and performance evaluation. Investors, lenders and venture capitalists use accounting information when deciding whether and where to invest their funds. Government regulators, such as the Securities and Exchange Commission and even the FBI, use accounting information to detect fraud.

With Krannert's accounting degree, you can pursue a career in public, corporate, tax, non-profit or government accounting. Our graduates join a network of Purdue alumni who hold important positions in organizations around the world. For example, Both...
• 25% Change

HLC Notice Requirement: Is the proposed revision a change of 25% or more to the content of a program/major/required concentration (50% for a certificate), either in a single change or as the sum total of aggregate changes, since the most recent accreditation review (e.g. PWL comprehensive evaluation in 2019)

- Yes
- No

More information available: https://www.hlcommission.org/Accreditation/screening-form-for-changes-to-existing-academic-programs.html

If Yes, what percentage of the program content is being changed in relation to the total number of credits required to earn the degree? (e.g. 30%)
New to Fall 2023 Catalog

- Grade Requirements
- GPA Requirements
- Course Requirements & Notes
- Non-course/Non-credit Requirements
- Pass/No Pass Policy
- Transfer Credit Policy

Grade Requirements
- Clearly list all grade requirements within the program.
- To be admitted to upper level Accounting, students must have a C- or higher in all MAI courses and any School of Management courses (MEO).
- University Policy states students may only attempt a course 3 times and grades of W or WF are included in this limit. Per the School of Management, no more than three different MAI courses, or their equivalents, may be taken two times for a grade.

GPA Requirements
- Graduation Index: 2.00 minimum
- Major Index: 2.00 minimum
- To be admitted to upper level Accounting, students must complete all MAI courses with a 3.00 or above MAI GPA and a 2.50 cumulative GPA.

Course Requirements and Notes
- MGMT, OBHR and ECON courses numbered 30000 or higher can only be taken after being admitted to Upper Division, with the exception of OBHR 33300. Students may take this course during their Sophomore Year.
- Courses taken on approved Kranert study abroad programs may be used to satisfy degree requirements. Students participating in a Purdue approved study abroad program are registered as full-time Purdue students during their semester abroad. Schedule an appointment with your advisor to discuss study abroad opportunities.

Non-course / Non-credit Requirements
- Degree requirements which are not associated to a course. For example: portfolio, work experience, certifications. Should equal 6 credits.

Pass/No Pass Policy
- College, department, major P/NP policy. Any exceptions to the rule should also be included.

Transfer Credit Policy
- The number of general electives will vary for each student and can include AP credit, transfer credit, and/or Credit by Exam.
- Transfer credit for upper level MGMT, OBHR and ECON (Purdue Transfer Credit Courses) will only be considered if taken at a 4 year AACSB accredited school.
• **Hidden Courses** *(myPurduePlan)*
  
  Courses that have been “hidden” within MyPurduePlan previously now must be clearly stated on the plan of study.

• **Critical Courses**
  
  A “Critical Course” is one that a student must be able to pass to persist and succeed in a particular major. This definition assumes student must be successful in passing the course. Ex: Students who want to be nurses, for example, should know that they are expected to be proficient in courses like biology in order to be successful.

  These are not meant for registration purposes
Other Important Reminders

• Pre-requisite Courses
  • Included in plan of study

• 32-upper Policy & fulfillment
  • Resident study at Purdue University for at least two semesters and the enrollment in and completion of at least 32 semester hours of coursework required and approved for the completion of the degree. These courses are expected to be at least junior-level courses.
  • Students should be able to fulfill most, if not all, of these credits within their major requirements; there should be a clear pathway for students to complete any credits not completed within their major.
1. **Plan of Study Updater:** makes authorized edits on Plan of Study: Degree Requirements and 8 semester plan. If more than one approver, then you need to have an internal process of who goes first.

2. **Plan of Study Approver:** reviews edits made my PoS Updaters and gives final departmental approval on Plan of Study. If more than one approver, then you need to have an internal process of who goes first.

3. **Curricula Team (OTR):** Reviews submitted Plans of Study for online catalog publication. Checks for formatting, typos, University Core mapping, critical courses and credits.
