

PIN Updates

All undergraduate PINs are pre-populated in the Advisor Course Recommendation Form (Advisor CRF). The advisor has control of whether or not to make the PIN visible. Once the advisor has submitted the CRF, the PIN will **automatically populate** in the Course Request Form and in Scheduling Assistant.

PINs will now display on Advisor CRF at the top of the page. The checkbox is a display/no display toggle. The toggle default is set to display the PIN.

Degree Plan ☐ Send email confirmation **Lookup Student** **Submit**

Student's Name: Student, Johnny Purdue PUID: 13171157
 Email: Term: Spring 2021 (PWL)
 Advisor/Email: muller@purdue.edu Status: Course Requests Disabled (no changes allowed) ▼
☒ PIN: 999999

If the student has been advised but the advisor has chosen not to release the PIN (uncheck the box), text will indicate this. If no PIN is assigned, the PIN field will not display.
