Student Cohorts: Looking up Students Cleared to Return to Campus (SICMPCLEAR)

Advisors and administrators with access to UniTime can easily determine which students in their college have been cleared to return to campus with the SICMPCLEAR student cohort.

Log into UniTime and select the appropriate term. Then click on Online Scheduling Dashboard.

In the filter, select or type your Area: college, major, department, etc. Then select or type the Student Cohort: SICMPCLEAR. You can also find the cohort in the dropdown menu.

There is always an option to export your results.
