Active Learning Classroom

The number before the capacity indicates the number of computer projectors in the room, if more than one.

For more information regarding technology in the classroom, see ITAP Technology in the Classroom.

The number before the capacity indicates the number of computer projectors in the room, if more than one.

None of the classrooms are equipped to do video-conferencing.

All classrooms have a document camera, an instructor computer, and are BoilerCast (ALP) capable.

BoilerCast (ALP): Scheduling/ACS Documentation/Rooms and Event Information/Classroom List/Large Lecture Rooms-Updated.xlsm

* Indicates room is under construction for this term
