

Bioprotection Plan: Aquaculture

Prior to arrival:

- Indiana entry requirements:
 - Adhere to both Indiana Department of Natural Resources (INDNR) and Indiana Board of Animal Health (BOAH) entry requirements:
 - <https://www.in.gov/boah/species-information/aquaculture/indiana-fish-entry-requirements/>
 - <https://www.in.gov/dnr/fish-and-wildlife/fishing/commercial-fish-suppliers/>
 - <https://www.in.gov/dnr/fish-and-wildlife/licenses-and-permits/permits-commercial-licenses/>

Upon arrival:

- Fish are received as an individual cohort, so each tank serves as quarantine
- Upon receipt: fish are visually observed for health and well-being

Preventative Maintenance Plan:

- Daily: Observations

Purdue (list unit) Excluded Agents:

- INDNR and BOAH will advise on species specific agents
