Account registration & beneficiary designation

Beneficiary designation

Accounts that designate a beneficiary are not controlled by a will or trust

What is a will?

What is a will? What is a will?

- Legal document that governs the distribution of assets in your name
- Determines who gets what assets when you die

What is a will? **Don't have a will when you die?**

Your estate goes into probate court

Assets without a beneficiary designation will be distributed according to the laws of your state

What is a will? **Role of executor**

- Establish validity of the will
- Collect assets of the estate
- File tax returns
- Distribute assets to trustees and other beneficiaries
- Pay final expenses and taxes

A judge determines whether the will is valid

Was it properly executed?

Has it been revoked prior to your death?

The judge signs a court order granting power to the executor

What is a will? Important documents

- Durable power of attorney
- Health care power of attorney
- Living will

What is a trust?

What is a trust? What is a trust?

A legal arrangement in which an individual gives control of property to a person or institution (the trustee) for the benefit of beneficiaries

What is a trust? What can a trust do?

- Provide for a child with special needs
- Restrict inheritances
- Provide tax benefits

What is a trust? **Role of a trustee**

Establish and implement an investment strategy for the trust's assets

Record keeping and providing accountings to beneficiaries

Pay trust expenses

Make distributions to beneficiaries according to the terms of the trust

What is a trust? Considerations when naming a trustee

- Experience in managing financial affairs
- Fair and unbiased
- Willing to devote time and energy

Does the institution offer an experienced staff of attorneys, accountants and trust administrators?

Does it have a written investment philosophy that matches yours?

Will it provide ongoing communication and be accessible for questions?

Will you receive written monthly reports?

What is a trust? **Revocable living trust**

What is a trust? **Revocable living trust benefits**

Provides financial instructions during incapacity

Names trustees to manage trust assets

Avoids probate

Provides privacy

What is a trust? Testamentary trust

Created using your will

Becomes effective at your death

Subject to probate process
