NO LATE APPLICATIONS WILL BE ACCEPTED.

1. List any activities that have helped you develop skills that could be valuable to this committee. List your current (or anticipated) campus activities.
2. Tell us about any previous music or marketing experience, if any.
3. What criteria would you consider when determining whether or not a band performance would be successful at Purdue?
4. If you could choose a popular band to come to campus, with consideration for venue capabilities, which band would it be and why do you think it would be successful here? How would you market this band to the students if you had a publicity and marketing budget?
5. What do you hope to gain if you are accepted as a member of Student Concert Committee?
6. What was the last song / artist / album you listened to?
7. Where did your passion from music stem from, and tell us why we should choose you for this appointment?
8. Are you available on Monday and Wednesday evenings for both informal and formal meetings and willing to dedicate 3-5 hours every week to Student Concert Committee meetings, tasks and business? Please understand that show days are outside of this typical weekly commitment. If you are not able to dedicate 3-5 hours every week to SCC, please know that there are other opportunities and ways to stay involved and this would NOT impact your petition for membership or ability to be involved with the organization.

9. Utilize this question to tell us what you were not able to express in the previous questions.
10. What was the last concert or music festival you attended?
11. Have you attended any concerts at Purdue? If so, which ones?
