

Program Progression Guide

Disclaimer: The 2018-2019 Purdue West Lafayette catalog is considered the source for academic and programmatic requirements for students entering programs during the Fall 2018, Spring 2019, and Summer 2019 semesters. The Program Progression Guide assists students in the development of an individualized 8-semester plan. Students are encouraged to use this guide, myPurduePlan* (online degree auditing tool) and the Student Educational Planner (SEP) as they work with their academic advisor towards the completion of their degree requirements.

Notification: Each student is ultimately responsible for knowing, monitoring and completing all degree requirements.

An undergraduate degree in the College of Science requires completion of the following degree requirements.

2018-19 Core Mathematics Degree Progression Guide

The Mathematics Department has *suggested* the following degree progression guide for the Core Mathematics Degree. Students will work with their academic advisors to determine their best path to degree completion. Course prerequisites are specific to this degree plan. Courses meeting the College of Science Core Curriculum requirements are marked with “SCC” and a letter corresponding to the legend below:
