PRESENTS

FUNDAMENTALS OF EQUITY IN GRADUATE ADMISSIONS

TUESDAY, APRIL 30, 1:00 - 3:00 PM

Fundamentals of Equity in Graduate Admissions (2 hours) Rooted in data and research, this foundational session provides a comprehensive overview of the role of typical admissions practices in maintaining racial/ethnic inequalities in graduate education, as well as strategies for more equitable processes and outcomes.

[**REGISTER NOW**](#)

This virtual workshop, brought to you by the Equity in Graduate Education Consortium (EGE), will cover the Fundamentals of Equity in Graduate Admissions. Grounded in compelling research, this workshop fosters insightful reflection, healthy dialogue, and the development of concrete action steps to advance equity and inclusion within your programs.

This workshop is designed to be accessible and relevant to a broad audience across diverse academic disciplines. Whether you are an admissions officer, faculty member, or graduate student, this program offers valuable insights and actionable tools to contribute to a more equitable and inclusive graduate education experience.

PANELIST BIOS*

LINDA DEANGELO

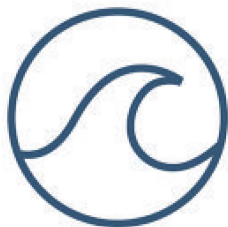

Linda DeAngelo is an associate professor of higher education, Center for Urban Education Faculty Fellow, and affiliated faculty in the Gender, Sexuality, and Women's Studies Program at the University of Pittsburgh. Currently, DeAngelo's scholarship focuses on retention, degree completion, access to and engagement in faculty mentorship, and access for students of color into graduate education.

CASEY W. MILLER

Casey W. Miller is associate dean for research and faculty affairs in the College of Science at the Rochester Institute of Technology. He is an experimental physicist focusing on magnetism. He earned his PhD from the University of Texas at Austin in 2003, did his post-doctoral work at the University of California, San Diego, and is a recipient of the NSF CAREER and AFOSR Young Investigator Awards.
