EARTH, ATMOSPHERIC, AND PLANETARY SCIENCES

Faculty and Staff Award Honorees - 2024
Diversity Award

Ali is recognized for her leadership of the EAPS Diversity, Equity, and Inclusion Committee including organizing department-wide training, representing EAPS at the Rainbow Callout, and leading the creation of a rubric for holistically evaluating graduate student applications.
Marty is recognized for his dedication to environmental geoscience majors and assistance in placing them in internships.
Customer Service Award

Ryan is acknowledged for being the EAPS point of contact for rock identification questions that come in from the public. He shows patience and respect in his interactions and though many people are disappointed to learn they have not found a meteorite, he leaves them satisfied that they have found an interesting sample.
Engagement Award

Elita is acknowledged for her engagement with EAPS alumni and friends throughout the exploration geophysics community.
Jenni is honored for her dedication to an ever-growing crop of EAPS undergraduates. She has worked tirelessly on undergraduate career development, new EAPS minors, and revisions to the EAPS undergraduate curriculum.
CONGRATULATIONS!

Thank you to all of our honorees for your persistent efforts to create a culture of respect, inclusion, innovation and growth.

We appreciate you!
