Parking and Traffic Committee
2013-2014 Summary

- Met 8 times (September-May)
- Major activities:
  - 2013 September:
    - Temporary Parking Permit – electronic permit on line requests now operational from Parking and Traffic (P&T) Office
    - President’s initiative: Integrated Bicycle Master Plan – John Collier lead from Purdue; Andrew Hirsch appointed by Chair Jim McGlothlin from P&T Committee
  - 2013 October:
    - P&T Chair Jim McGlothlin requests monthly reports at the P&T Committee meetings from Purdue Police Department (PUPD) representative to better coordinate events and activities between the two groups
    - New plastic sleeves for posting athletic event signage are being installed around Mackey Arena and Ross-Aide Stadium to improve communications about parking during sports events for 2013-2014.
    - UV space issues being worked out by P&T administrators.
  - 2013 November:
    - City Bus: significant increases in ridership perhaps due to new CityBus (DoubleMap) App.
    - Campus Bicycle Issues – updates from John Collier and Andrew Hirsch.
  - 2014 January:
    - Integrated Bicycle Master Plan update by John Collier – outside contractor brought in to and to work with P&T Committee and stakeholders in Purdue community.
    - P&T Chair, Jim McGlothlin presents annual report to University Senate (see attachment).
    - Zipcar very successful for student use; electric vehicle charging stations are having issues
    - Holly Alexander reports on the summer P&T maintenance projects, including Grant Street and Northwestern Garage maintenance plans.
  - 2014 February:
    - Updates on Bicycle Master Plan from John Collier and Andrew Hirsch.
    - CityBus report – ridership slightly down compared to same time in 2013 (may be weather related).
  - 2014 March
    - Issues of lunch delivery on service road between the Physics and Chemical Engineering Building. Delivery truck/cars hindering the flow of pedestrian and bicycle traffic – to be resolved by letter from Radiological and Environmental Management (REM) about not causing traffic flow issues to delivery vendor.
  - 2014 April:
    - Subcommittee report for Bike/Pedestrian issues – Andrew Hirsch.
2014 May:
- Citation collection service to begin in academic year – 2014-2015. Currently, no means of collecting parking fines from those who are not connected to Purdue University.
- Event Parking – Huron Study Group looking into revenue options
- John Collier gives latest update on the numerous changes and future changes pertaining to bicycling on Purdue University’s campus (see attachment).
- CityBus – DoubleMap kiosk mode for Residence Hall digital signs (and other areas across campus) will be completed this summer for launch in the fall!
- CityBus’s Tonya reports to the committee also stated that she is working with Rob Parker on timeline and specs for the new electronic sign displaying arrival times that will be installed at 1st and MacArthur.
- Chair Jim McGlothlin thanked the P&T Committee for their service and progress during the past two years and thanked Andrew Hirsch for volunteering and being elected as the new P&T Chair for 2014-2015.

Respectfully Submitted,

James D. McGlothlin
Chair Parking and Traffic Committee 2012-2014
