TO: The University Senate Educational Policy Committee
FROM: Educational Policy Committee
SUBJECT: Revision to University Regulations of Academic Standing Regulation
DISPOSITION: University Senate for Discussion
CAMPUSES: All campuses

RATIONALE:
- http://www.purdue.edu/studentregulations/regulations_procedures/scholdeficiency.html
- After receiving feedback from campus forums and regional campus representatives the policy is designed to raise the minimum performance levels for all Purdue students. The revised policy takes into consideration the large part-time student levels at our regional campuses to ensure they are not adversely affected.
- The policy simplifies the GPA requirement to a 2.0 semester and cumulative replacing the graduating scale.
- The policy is the same in that a student on probation one term with the next term GPA below the required level will be dropped.
- The policy also removed the six credits of failing grades for a drop.
- Policy, if approved in AY 13-14, is recommended for all students effective Fall 2015.
- The policy revision will include non-degree and dual credit.

IF: Semester GPA or Cumulative GPA is < 2.0 = PROBATION
IF: On probation and Semester GPA is < 2.0 = DROP
IF: On probation and Cumulative GPA is < 2.0 but Semester GPA is > 2.0 = PROBATION

Academic Probation and Deficiency

A. Academic Probation

A student at Purdue University shall be placed on academic probation if his/her fall or spring semester or cumulative GPA at the end of any fall or spring semester is less than a 2.0.

A student on academic probation shall be removed from that standing at the end of the first subsequent fall or spring semester in which he/she achieves semester and cumulative GPAs equal to or greater than 2.0.

Any grade change due to a reporting error will result in a recalculation of the GPA and determination of probation standing.

Summer session has no effect on academic standing.

B. Dropping of Students for Academic Deficiency

A student on academic probation shall be dropped from the University at the close of any fall or spring semester in which his/her semester GPA is less than a 2.0.

Any grade change due to a reporting error will result in a recalculation of the index and determination of drop status.
C. Readmission

A student who is academically dropped from the University for the first time is not eligible to enroll for at least one fall or spring semester. A student who is academically dropped for the second time is not eligible to enroll for at least one year.

A student dropped by this rule must apply to the appropriate office or readmission committee for the Purdue campus of choice. A fee is assessed for processing the readmission application (Board of Trustees Minutes, June 5-6, 1970). Readmission is not guaranteed, but any student who gains readmission is readmitted on probation and is subject to stipulations in effect as a condition of readmission.
