Campus Communication

▪ Official University FAQ

- URL: Purdue.university/covid-19
- Updated daily.
- If your question isn't there, we likely don't have an answer yet.

▪ New Call Center: (765) 496-INFO

- Staffed with knowledgeable Purdue employees

The screenshot shows the Purdue University website's COVID-19 response page. The header includes the Purdue logo, a search bar, and links for Apply, News, President, Shop, Visit, Give, Emergency, and a magnifying glass icon. The main content area is titled "Things you need to know about COVID-19". It features a message about periodic refreshes, a note about updates, and a "Recent Messages" sidebar with links to various COVID-19-related announcements. The footer notes that Purdue officials are monitoring developments.

Things you need to know about COVID-19

***If you keep this website open in your browser, [please periodically refresh](#) to see the most current information.

Last updated March 20, 2020. This page will be updated. All information and guidance applies to Purdue West Lafayette unless otherwise noted. Additional guidance for Purdue Northwest can be found [here](#). Additional guidance for Purdue Fort Wayne can be found [here](#).

Latest updates:

- Purdue classes [will be delivered by remote instruction](#) for the remainder of the Spring 2020 semester.
- Traditional in-person [commencement is canceled](#). Details on an alternative virtual celebration will be shared with graduates soon.
- Residence halls will remain open for those students who must remain on campus, but [any student who can move home/to a different location should do so](#).
- Our campus remains open, with [telecommuting/remote work permitted](#) wherever possible. Please note that our ability to receive visitors is limited.

Purdue officials, in close coordination with the state and local public health departments, are closely monitoring for developments and will offer additional guidance to the university community as soon as it is available.
