Isolation and Quarantine Beds
Counts reflect the current status of beds held for Isolation or Quarantine in Purdue alternative housing.

Severity
The distribution of the severity of COVID-19 cases as measured by the Protect Purdue Health Center, representing the highest reported severity for each case. The severity levels are based on several factors: primarily, what symptoms the patient is exhibiting (if any) and whether they have any comorbidities. (as of October 17, 2020).

Current Hospitalizations
Count reflects the current number of COVID-19 associated hospitalizations.

Current Hospitalizations: 0

Total Hospitalizations
Count reflects the cumulative number of COVID-19 associated hospitalizations.

Total Hospitalizations: 3 (Beginning August 1st)
Fall 2020 Modes of instruction

- Purdue leads the Big Ten with the most students in classrooms; Roughly tied Nebraska for the largest share of in person classes.

By Enrollment:
- In Person, 22%
- Hybrid, 32%
- Synchronous Online, 28%
- Asynchronous Online, 13%
- Other Course Type, 5%

By Section:
- In Person, 37%
- Hybrid, 29%
- Synchronous Online, 18%
- Asynchronous Online, 9%
- Other Course Type, 7%
No Evidence of Instructor Classroom Infection

- Of 3,043 faculty and lecturers, 444 have been tested through ADDL or Vault
- Faculty and lecturers with positive tests in single digits
- No evidence of classroom spread to instructors
Late June CDC Survey. Age 18-24

- At least one adverse mental or behavioral health symptom: 75%
- Anxiety/Depression Symptoms: 63%
- COVID-19 related Stressor Disorder: 46%
- Started or Increased Substance Abuse: 25%
- Seriously Considered Suicide in Last 30 Days: 26%

Helping Students Safely View Football

- Multiple Locations
- Pre-packaged food (hotdogs, popcorn, soft drinks)
- Visits by All-American Marching Band
- Perimeter management by Student Life staff & Protect Purdue Ambassadors
- Reservations required. Access control through standard process familiar to students

*Events are pending licensing permission from Big10/NCAA

Memorial Mall
- Large LED screen
- Socially distanced lawn seating
- 500 capacity

Herrick North Lawn
Large LED screen
- Socially distanced lawn seating
- 250 capacity

University Residences
- Tarkington: Projected in courtyard
- Purdue Village: Projected in courtyard

UR Boiler / Hilltop
- Virtual Watch Party
- Grab and go food available
Plans/Improvements for Spring 2021

- Spring 2021 Residential Learning Guidance distributed last week

- Better utilize space to improve in-person courses/experience
  - Reduce need to split meeting days among students through better classroom utilization
  - Increase maximum occupancy in largest spaces where possible

- Reduce/improve asynchronous online
  - Increase and improve peer-peer and prof-peer engagement

- Improve classroom technology where needed

- Improve course modality representation in schedule during student registration
  - Build student schedules considering modality wherever possible

- Instructor training
  - IMPACT X+ Available for Spring Instructors
  - Brightspace Training and Support Continues
  - Faculty to Faculty Sharing of Lessons Learned

Other Areas:
- Communications
- Resources
- Policies
- Student Life
