How does it work?

At the start table, you will receive your start card and a map with a designated route marked on it. Follow the mapped route to find the checkpoints. At each checkpoint, have your start card stamped. Utilize your campus map to help find your way to each checkpoint, and ultimately back to the finish table. Walk may include some elevation and/or steps, although every effort is taken to make the route accessible.

Where do I go to begin?

Check in at the start table located in the Loeb Foyer in Stewart Center. Follow the map at your own pace. Check back in at the Loeb Foyer to receive your medal.
