BOILER TO BOILER
NETWORKING EVENT / SEPTEMBER 23 - 24

STEPS TO LEAPS NETWORKING EVENT

September 23rd 7-8 p.m. EST
September 24th 12-1 p.m. EST
Click here to register.

In this Boiler to Boiler Networking Event, we invite Purdue students to chat with several alumni on how the Steps to Leaps Pillars have been incorporated into their time as students, and leading into their personal and professional lives.

WAYS TO PREPARE:

Prior to the week of events, here are some items to work on in order to make the most of your networking experience:

Set up your profile on the Purdue Alumni Association Portal.
This is a new resource for students and alumni and allows you to share and search for others with similar majors/degrees and interests.
To set up your profile visit: www.purduealumniassociation.com

Update your resume.
This is a great first step in your professional development experience. Staff at the Center for Career Opportunities can help you get started.

Update your LinkedIn Profile.
LinkedIn is the leading professional social network. Make sure that your contact information and current details are up-to-date and reflect your experiences and skills.

Create and update your Portfolium eportfolio.
Your Portfolium eportfolio helps to bring your resume to life. Instead of a bullet point describing a project, you can upload artifacts and evidence of your work to build a stronger picture of your Purdue experience.
