Purdue Promise Support Program
Emerging Urban Leaders
2013-2014 Junior Renewal Agreement

I have accepted the Emerging Urban Leader Scholarship and agree to continue to participate in the Purdue Promise Support Program coordinated by Student Success at Purdue. I understand that as an Emerging Urban Leader Scholarship recipient, I must meet certain requirements to maintain the eight consecutive semesters (fall/spring) of scholarship aid.

As a Purdue Promise Student Support Program Participant, I agree to:

1. Meet the 2.7 cumulative GPA requirement each semester to retain my Emerging Urban Leader Scholarship (EUL) and remain in good academic standing (including meeting Satisfactory Academic Progress) to retain my other financial aid.

2. Remain a full-time student by taking at least 12 credit hours each semester (fall/spring) to remain eligible for my EUL funding.
   a. Because EUL funding only lasts for eight consecutive semesters, I understand I am strongly encouraged to take 15-18 credit hours each semester to ensure that I am able to graduate in a timely manner.

3. Submit the FAFSA by the March 1st priority deadline every year, regardless of if I will be in college or not, until graduation.

4. Contact Purdue Promise if I am struggling with any of my classes. If my semester and/or cumulative GPA drops below a 2.7, I am on academic probation, or I am not in good academic standing, I agree to participate in an academic review (MAPS) with Purdue Promise. Part of this participation requires that I maintain regular contact with Purdue Promise staff and attend study tables and/or tutoring as directed.

5. Ensure that I am able to enroll in and complete the one-credit, 16-week Purdue Promise senior success course “Advancing Tomorrow’s Leaders: Preparing for Employment and Life after College” (GS 40500) during the fall semester of my fourth year.

6. Authorize Purdue University to release my name, major, high school, hometown, and scholarship amount to the donor(s) of my scholarship and to confirm that all criteria for selection were met. In addition, I agree to send a letter of appreciation to the donor(s) and participate in events associated with any scholarship, award, or prize I may receive.

I understand these requirements and agree to fulfill all of the responsibilities described above.

Purdue Promise Support Program
Emerging Urban Leaders
2013-2014 Junior Support Statement

Purdue Promise commits to providing assistance to help you achieve success during your time at Purdue. To help you reach your goals, Purdue Promise has designed a number of programs, initiatives, and resources to support you. As a Purdue Promise Support Program participant, it is your responsibility to note the following recommendations.

As a Purdue Promise Program Participant, I understand that I am strongly encouraged to:

1. Strive for academic excellence. This includes attending all of my classes, studying regularly, and remaining in contact with my Purdue Promise Coach, academic advisors, and course instructors.

2. Meet and engage with my Purdue Promise Coach throughout the semester. He/she will offer to meet with me twice each semester. Part of this engagement will require that I complete periodic academic progress checks and internship, career, and/or graduate/professional school exploration activities.
   a. I understand that my Coach is available, in conjunction with my academic advisor, to support me in my academic, social, leadership, and life skills development.

3. Seek leadership and professional development opportunities, either within Student Success at Purdue or elsewhere within the University, and log my experiences annually in the Purdue Promise database to track my personal development over time.
   a. I understand that leadership and personal development can be satisfied by a number of experiences. Such examples include undergraduate research, study abroad, internships, community service, employment, and student organization membership.

4. Attend periodic open study and social hours hosted by Purdue Promise to meet new people and engage with program staff and student leaders.

5. Work with the Student Employment Office to secure an on-campus job if I am offered Federal Work Study funds and I am seeking employment.

6. Check my Purdue e-mail daily and read all electronic messages/updates sent by Purdue Promise staff.

7. Update Purdue Promise and myPurdue with any changes in my contact information.

8. Discuss any concerns I may have, as such relates to academics, work, or personal life issues that may negatively affect my academic performance, with a member of Purdue Promise staff.

By signing this document I agree to participate in the Purdue Promise Support Program. I understand that through this program I have many resources that I can take advantage of should I find myself in need of guidance or support. I recognize these resources are provided to assist in my successful completion of a Purdue degree.
