FIRST-YEAR EXPERIENCE COURSE GS 19700
(for Fall '13 ONLY, this will be GS 49000)

Course Description & Topics

This is a 1 credit, 16 week course designed to assist Purdue Promise students’ transition to Purdue University by introducing them to vital campus resources that can be used throughout their college experience. The course is largely experiential via on-campus field trips and in-class presentations from campus partners. Class topics include:

- Introduction to Purdue resources such as MyPurdue, Blackboard, university regulations and policies, etc.
- Overview of topics pertaining to becoming a college student/young professional such as email communication habits, class demeanor, and how to work best with instructors and advisors.
- On-campus field trips and in-class presentations will include contact with:
  - Division of Financial Aid
  - Office of the Dean of Students
  - Counseling and Psychological Services
  - Purdue Writing Lab
  - Purdue Police Department
  - Center for Career Opportunities
  - Student Wellness Office
