Once logged in, the system should take you to a page that looks like this. You should be on the “need to know” tab.
The next step is to click on the “academic” tab.

Once on the academic tab, links will pop up on the left hand side. Look for the “final grades” link and click on it.
The last step is to select the desired term in which you want to view your final grades from. Once you select a term, click “submit.”
This should be an example of the page your final grades will be on.
