Mission Statement

The Student Access, Transition and Success Programs (SATS) department provides pre-college preparation and college success initiatives and services for students and their families. The department’s interconnected programs assist students in progressive stages of development; and have as their ultimate goals an increased rate of student degree completion, future employment or study, dedicated citizenship, and responsible leadership in the state, nation, and world.

Vision Statement

Through the pursuit and fulfillment of its mission, the SATS department seeks to emerge as the nationally recognized leader in the intentional connection of pre-college and college success initiatives. The department will achieve this by designing, implementing, modifying, and evaluating student-centered programs of the highest quality that create synergy between in-class and out-of-class learning.
