 - University Street Parking Garage (PGU)

 - Northwestern Avenue Parking Garage (PGNW)*

On Purdue's campus map, each garage is referred to by its abbreviation.

3. Put this permit on your dashboard in full view. Use of this permit to park in other locations (surface lots, meters or areas designated as no parking, tow away or reserved 24 hours) will result in a parking ticket and/or towing.

* Please note that Northwestern Avenue Parking Garage (PGNW) has limited space due to summer maintenance.

Decreased summer traffic allows Purdue to issue temporary parking permits for STAR guests, although some garages may be temporarily closed for maintenance. Campus parking is usually reserved on weekdays for faculty, staff and off-campus students.

During the rest of the year, visitors to campus may park in the Grant Street Parking Garage (PGG).
