**Preparring for Your Visit**

**Things To Do Now**

**Review this information carefully.** Note your check-in location on the campus map. Please remember to allow extra time for parking and walking. Check-in begins at 7 a.m. Eastern Daylight Time (EDT).

**Take your ALEKS math assessment.** You must complete the assessment 48 hours prior to your arrival for your STAR date. The ALEKS assessment will be available on the New Student Tab in MyPurdue beginning June 1.

If you need assistance due to a disability or medical condition during a placement exam or during the academic year, Purdue’s Disability Resource Center (DRC) can assist with the coordination of testing accommodations. Please contact the DRC as soon as possible at 765-494-1247 (V/TTY) or at drc@purdue.edu to receive information about submitting documentation of your condition/impairment.

**Use the complimentary parking permit** to park in one of the University garages. Please complete the permit with the appropriate information to validate it.

**You’ll need the following items** when you come to campus. These are vital, so don’t forget.

- Your 10-digit Purdue Identification (PUID) number. If you need to locate it, you can find it on your letter of admission
- Government-issued photo ID (driver’s license, state ID, passport or military ID), which you will need to show in order to obtain your Purdue ID card
- Several No. 2 pencils
- All of your STAR materials and a campus map
- Your parking permit
- Comfortable walking shoes and appropriate clothing for the season and the weather

**Determine ahead of time if you need to take any advanced placement exams** so you can get college credits prior to enrolling. You’ll discuss these with your advisor during STAR. A list of available tests is located on the Testing Schedule. There’s no fee to take a test, and no penalty for failure. It is a full day and test times are limited, so you may need to take additional tests at another time. If you have questions about advanced placement and credit exams prior to attending STAR, contact the advising office of your Purdue college, school or program.

**Please fill out the medical history form** you receive in the mail and have it signed by your healthcare provider or other record keeper. You may submit this form at the Purdue Student Health Center (PUSH- room 136) while on campus. Additional copies are available by following the New Students link at www.purdue.edu/PUSH.

**Visit the STAR website** at www.purdue.edu/star and become familiar with an advanced copy of the day’s schedule and other materials that will be useful during your visit. You can also review videos of certain STAR information sessions and download and print copies of other STAR information that will be useful on the day of your visit.

**Check your Purdue e-mail account daily** for information and updates on STAR and other Purdue business.
MAKE ACCOMMODATIONS HOTELS, MEALS & MORE

WANT TO STAY OVERNIGHT? YOU HAVE SEVERAL OPTIONS:

To stay in a residence hall, check out the University Residences “STAR Overnight” package. Visit [www.housing.purdue.edu/HTML/Prospective_Students/STAROvernight.htm](http://www.housing.purdue.edu/HTML/Prospective_Students/STAROvernight.htm) or call 765-494-2507 for more information.

The Union Club Hotel in the Purdue Memorial Union (PMU) is offering the “STAR Deal.” Information is available at [http://union.purdue.edu/HTML/UnionClubHotel/STAROvernight.aspx](http://union.purdue.edu/HTML/UnionClubHotel/STAROvernight.aspx) or by calling 800-320-6291. For information on off-campus hotels, visit [www.homeofpurdue.com/hotelpackages.html](http://www.homeofpurdue.com/hotelpackages.html).

- You’ll be able to eat in the Purdue Memorial Union (PMU), Marriott Hall (MRR), our award-winning University Residences dining courts or choose from a variety places within walking distance of campus.

- Parking spaces designated with the blue-and-white international accessibility symbol are available to vehicles displaying the disability plate, decal or placard issued by the Bureau of Motor Vehicles in addition to your STAR parking pass. For a campus accessibility map, please visit [www.purdue.edu/accessibility/pages/maps/map.htm](http://www.purdue.edu/accessibility/pages/maps/map.htm).

- Because your visit will be active and event-filled, we recommend that you wear comfortable clothing and shoes. You also may want to bring an umbrella.

PARENTS & FAMILIES

While your son or daughter is taking care of Purdue business, join us for several Family Interest Sessions, hosted by the Office of the Vice President of Student Affairs. You can also attend the Paying for Purdue session, put on by the Division of Financial Aid and Office of the Bursar.

Families can relax in one of our lounge areas while students create their course schedule in a computer lab. (Sorry, but space is tight, so only students and their advisors are allowed in the computer labs.)

REGISTRATION CONFIRMED

Your STAR date is listed on your confirmation email and as part of your course schedule during the STAR/BGR term at [https://myPurdue.purdue.edu](https://myPurdue.purdue.edu).

NEED TO RESCHEDULE?

If you need to change your STAR date, do so more than five working days in advance of your scheduled arrival. You can make this change through the add/drop function at [https://myPurdue.purdue.edu](https://myPurdue.purdue.edu).

If you are within five working days of arrival, contact the Student Access, Transition and Success (SATS) office. If you show up on a day other than the scheduled date, your college/school may not be able to accommodate you.
