

COLLEGE SCHOLAR SUCCESS PROGRAM

Your time in college will be filled with opportunities and challenges

Fortunately, there are resources, like the **College Scholar Success Program**, designed to help you succeed in college and your future career. Each year of college, in order to maintain your scholarship, you must complete four annual *College Performance* requirements. Additionally, you must choose one activity from both the *College Engagement* and *Career Preparation* categories.

And, don't forget...

After you complete these activities, log into your **ScholarTrack** account at **ScholarTrack.IN.gov** to report your progress. Visit **Scholars.IN.gov** for more information.
