

What is Enrollment Confirmation in myPurdue?

Enrollment Confirmation is an important step for all students to complete in order to prevent the cancellation of their class registration. Students can confirm enrollment after invoices are released and prior to the term cancellation process, which is determined by the Bursar's Office. Although students are able to confirm enrollment via myPurdue, they are not safe from cancellation until their balance due is 0.00 (zero), which can be the result of payment in full, enrollment in an installment plan, or payment in full by financial aid funds.

How do I confirm my enrollment?

- Click on the **Bills & Payments** tab.

The screenshot shows the myPurdue website interface. The navigation menu at the top includes 'Academics', 'Registration', 'Bills & Payments' (highlighted with a red circle), 'Financial Aid', 'Banner', and 'Life @ Purdue'. Below the navigation, there are three main sections: 'Student Account', 'Enrollment Confirmation', and 'Financial Resources'. The 'Enrollment Confirmation' section contains a link to 'Confirm your enrollment for the coming semester' which is also highlighted with a red circle. Below this link, there is a note: 'This step is *required* to avoid being canceled. Students are not fully confirmed until their balance due is paid in full.' There is also a 'Financial Calculators' section with a link to 'Estimate your tuition, fees, and campus housing costs'.

- Click on the **Confirm your enrollment for the coming semester** link.

The 'Financial Calculators' section is also visible below.

- Click on the **Confirm Enrollment/Accept Fees** button. This confirmation indicates that you plan to attend Purdue (Confirm Enrollment) and arrange to pay for fees (Accept Fees) by the specified due date.
