What is an Authorized User in TouchNet?

A student may authorize others, (parents, guardians, employers, etc.) to view billing information and/or pay bills on his or her behalf. Please note that authorized users do not have access to your stored payment methods, academic records, or other personal information.

How do I add an Authorized User to my account?

• Using your Purdue career account user name and password, login to myPurdue at https://mypurdue.purdue.edu.

• Click on the three dashes to get to Bills & Payments tab and then click on View My Balance link.
• The TouchNet payment portal will open. Under ‘My Profile’, click ‘Authorized Users’ on the toolbar.

• Enter the authorized user’s E-mail Address.
• Click Yes if you want to authorize the user to view your billing statement.
• Click Yes if you want to authorize the user to view your 1098-T tax statement.**Note: this has to do with taxes**
• Click Yes if you want to authorize the user to view your payment history.
• Click the Continue button.

**Authorized Users**

You can give others (parents, employers, etc.) the ability to access your account information. In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users DO NOT have access to your stored payment methods, academic records, or other personal information.
