

What is an eStatement in TouchNet?

eStatements are a snap shot in time of your billing charges based on the day it is created. You have convenient access to them from any device with an internet connection 24/7. A student may authorize others, such as parents, guardians, or a spouse, to view billing information and/or pay bills on his or her behalf.

Note: *the eStatements can only be viewed by the student or Authorized Users*

What is a 1098T?

Families filing a U.S. tax return may be eligible for educational tax credits when claiming their Purdue student as a dependent. The IRS Form 1098-T is the form provided to help file for these tax credits.
