

OFF-THE-SHELF COMPONENTS LEAD TO EFFECTIVE URE DESIGN, MAKING LIFE EASIER FOR EVERYONE

ConnectUR 2022 Conference

*Holly Tittle-Hudson, Undergraduate Curriculum Coordinator,
Undergraduate Research Coordinator, College of Liberal Arts*

JJ Sadler, Associate Director, Undergraduate Research

Amy Childress, PhD, Director, Undergraduate Research

Office of Undergraduate Research

6/22/2022 | 1

1

Key Takeaways

- Learn about a modular program design model
- Discover how to incorporate modular programming to increase efficiency

6/22/2022 | 2

2

The Big Picture: Purdue Office of Undergraduate Research (OUR)

UG Recruitment

- OURConnect
online app portal
- Research Roundtables
- OUR Scholars
academic-year scholarship
- Summer Session Partnership
- FY URE Program
- One-on-One Consultations

Program Support

- Online Courses
- CURE – Purdue Fellows Program
- Conferences
- Grant Funding
- Seminars
- Mentorship
- IRB-approved Evaluation & Assessment
- Central Processing

Consultation

- Grant Proposals
- Program Design
- Program Implementation
- Ongoing Program Administration

Communication

- Newsletters
- Website
- Social Media
- Course Presentations
- Student Organizations

Key Components of Our Modular Program Design

- Allow for scalability
- Provide what is necessary and timely to different stakeholders
- Promote easy-to-implement components
- Decrease redundancies across the institution
- Utilize continuous evaluation for improvement

From a College's Perspective

- So many ways to **not** track the student experience
- How do students know if they want to do research?
- Is there an available research curriculum non major specific?
- How to play the Match Game with students across disciplines?
- Gaps in "next steps" from faculty mentors
- Participation and project presentation
- Central processing outside of academic units
- But is there funding?

7

From a College's Perspective

- Participation and project presentation
- Central processing outside of academic units

6/22/2022 | 8

8

From a College's Perspective

- But is there funding?
- Can I win awards?
- And an extra bonus!
