OUR Grant Student Application

The Office of Undergraduate Research (OUR) Grant may be used to support Purdue University undergraduate students in the pursuit of their research, creative endeavors, and scholarly activities (collectively referred to as "research") through one of the following:

1. Individual students conducting research
2. Individual students presenting research findings at a national or international, professional or academic conference,
3. Officially recognized student organizations conducting research,
4. Officially recognized student organizations presenting research findings at a national or international, professional or academic conference, OR
5. Officially recognized student organizations planning a group event related to research.

These awards, up to $500, are competitively awarded. Portions of this funding are made possible through generous donations from OUR donors.

This student application, and the research mentor letter of support, must be submitted before an application is reviewed; incomplete applications, or applications without a letter of support, are not considered.

All completed applications are reviewed twice a year, March 1 and October 1. Expenses must occur no more than 12 months from the date of the application review deadline.

All items/sections required. Skipping items may make you ineligible for the grant.

Which of the following best describes your intended use of this grant?

MENTOR INFORMATION
OUR Grant Applications are incomplete and not reviewed until after a letter of recommendation is received from a faculty or staff member who is the "Mentor." This person is:

- The Principal Investigator for your project, if the grant funds are for research or travel.
- The Advisor for the officially recognized student organization, if an event sponsored by the organization.

Please discuss your application with your Mentor before submitting this application. Upon final submission of this application, your primary (first) Mentor will receive a recommendation to complete.

How many total Mentors do you have for the research related to your project? Mentors typically include faculty, staff, graduate students, or post-docs.
- 1
- 2
- 3
- 4
Please identify your primary Mentor: If you have multiple mentors, this is the only mentor who will complete your letter of recommendation.

- Mentor's First Name: ________________________________________________
- Mentor's Last Name: ________________________________________________
- Mentor's e-mail address: ______________________________________________
- Mentor's Organization: ________________________________________________

Which of the following best identifies your primary Mentor’s role on campus?
- Faculty
- Staff

Please identify your second Mentor: This mentor will not receive an invitation to complete a letter of recommendation.

- Mentor's First Name: ________________________________________________
- Mentor's Last Name: ________________________________________________
- Mentor's e-mail address: ______________________________________________
- Mentor's Organization: ________________________________________________

Which of the following best identifies the primary role at Purdue of your second Mentor?
- Faculty
- Staff
- Graduate Student
- Post-Doc
- Not a Purdue Employee

**Do this for up to an additional two mentors.**

I have read the grant information and guidelines and agree to abide by the terms. My electronic signature below confirms this agreement:

Please double-check the e-mail address of your primary Mentor. **Upon submission, your primary Mentor will receive an e-mail message inviting them to complete a separate recommendation.**

E-mail notification with the grant decision will be sent to you and the Mentor no later than 4 weeks after the application deadline.
