2019 Purdue Fall Undergraduate Research Expo
Monday, November 18, 2019 | Purdue Memorial Union Ballrooms & Stewart Center |
8:30am-3:30pm

The 2019 Purdue Fall Undergraduate Research Expo is an opportunity for Purdue undergraduates to showcase the scholarly work and creative endeavors they have been engaged in either on or off campus.

Submit your abstract by Tue., Oct. 29 at 11:59pm to be included in this year's Fall Expo. Those who indicate they want to be considered for an oral presentation will be notified if they are selected by their academic unit.

Submission Title *Required

First Student Author Information *Required

Ensure your contact information is correct. A confirmation email will be sent to the email included on this form.

Name
Email
College
Major(s)
Expected Graduation (Month, Year)
Number of semesters working on this project

Second Student Author Information

Name
Email
College
Major(s)

Additional Student Author Information

Name(s) separated by a comma
Email(s) separated by a comma
College(s) separated by a comma
Majors(s) separated by a comma

Primary Research Mentor Information *Required

Ensure all contact information is correct. A confirmation email will be sent to the email included on this form.
Select the category the research project fits. *Required

- Life Sciences
- Social Sciences/Humanities
- Innovative Technology/Entrepreneurship/Design
- Physical Sciences
- Mathematical/Computation Sciences

Abstract (250 words or less) *Required

Is this research project part of a funded undergraduate research program? 
If so, please include them. (For example, SURF, Wilke, SROP, OUR Scholars, etc.)

Do you want to be considered for an oral presentation?
Do you want your abstract to be considered for an oral presentation during the morning session of the Fall Expo? If so, please select, "Yes, I want to be considered for an oral presentation." You will be notified prior to the event if you are selected. Those not selected will present a poster during the afternoon session.

- Yes, I want to be considered for an oral presentation.
- No, I do not want to be considered for an oral presentation.

Interdisciplinary Research
"Interdisciplinary research is a mode of research by teams or individuals that integrates information, data, techniques, tools, perspectives, concepts, and/or theories from two or more disciplines or bodies of specialized knowledge to advance fundamental understanding or to solve problems whose solutions are beyond the scope of a single discipline or area of research practice." -Committee on Facilitating Interdisciplinary Research, Committee on Science, Engineering, and Public Policy
If your project fits this definition, select "Yes, my research project is considered interdisciplinary" below.

- Yes, my research project is considered interdisciplinary.
- No, my research project is not considered interdisciplinary.

Uses Archival Materials

Check the box below if your research involved visiting an archival repository such as a university archives, government archives, or historical society. If you used records, documents, or data sets that were designated by an archival repository as permanent historical records, please select, "Yes, my project uses archival materials."

- Yes, my project uses archival materials.
- No, my project does not use archival materials.

Check and sign the correct acknowledgement based on a conversation with your research mentor. *Required

- I acknowledge I have confirmed with my research mentor that the submitted abstract can be published in an online abstract booklet and I can present my work via a printed poster or oral presentation.
- I acknowledge I have confirmed with my research mentor that the submitted abstract CANNOT be published in an online abstract booklet but I can present my work via a printed poster or oral presentation.

Please sign to acknowledge your understanding that you discussed the above selection with your research mentor on behalf of all the listed authors. *Required
